

NOTICE - Suspension of CFPSW, CWF and CYPSS Certification and Recertification Processing by NMCBBHP

Attention:

Certified Family Peer Support Workers - CFPSW
Certified Wraparound Facilitators - CWF
Certified Youth Peer Support Specialists - CYPSS

We are currently addressing a contract matter involving the New Mexico Credentialing Board for Behavioral Health Professionals (NMCBBHP) and the Children, Youth & Families Department (CYFD). Negotiations have been ongoing for almost one year. Unfortunately, an agreement was not reached. NMCBBHP does not have a current contract with CYFD.

As a result, we have been directed to suspend the processing of all CFPSW, CWF and CYPSS certifications and recertifications until further notice. This includes approval of new credentials and recertification of existing credentials. We understand the impact this may have and sincerely apologize for any inconvenience.

If you have questions or need additional information, please contact the following individuals at CYFD:

Susana Puebla (CYFD) at susanna.puebla@cyfd.nm.gov

Alex Murillo (CYFD) at gustavo.murillo@cyfd.nm.gov

Thank you for your understanding.
